(3) In case of Securities traded in Continuous Trading with Intra-Day Auctions, in the Trading Model Xetra Midpoint, in the Mini-Auction or in the Auction, the Mistrade Application shall be submitted within 30 minutes upon receipt of the Transaction Confirmation pursuant to § 2 Paragraph 3. The application may be submitted in writing, via telecopy, electronically or via telephone. The Management Board may determine further details of the application process.

[…]

§ 28 Obvious Price Deviation in case of Transactions in Continuous Trading with Intra-Day Auctions, in the Trading Model Xetra Midpoint, in the Mini-Auction or in the Auctions

(1) In case of Transactions in Securities traded in Continuous Trading with Intra-Day Auctions, in the Trading Model Xetra Midpoint, in the Mini-Auction or in the Auction, the Management Board shall, under consideration of the order regulated according to Number 1 to 3, choose one of the following determination methods in order to determine the market-driven price. If one of the methods to be applied accordingly is not adequate in individual cases, it shall not be considered. The Management Board shall take the following basis as market-driven price:

1. the average of the last three prices which have been determined before the price determination for the Transaction in the trading system of FWB in the Trading Model Continuous Trading with Intra-Day Auctions, in the Mini-Auction or in the Auction; if less than three prices have been determined in the trading system of FWB in one of these Trading Models, the average of two prices or one price;
